ACCP Professional Dues are not deductible as charitable contributions for U.S. federal income tax purposes. However, they may be deducted as ordinary and necessary business expenses except for the amount attributable to lobbying activities. ACCP estimates that 22% of annual dues may be allocated to lobbying.

All ACCP Memberships include an electronic subscription to *Pharmacotherapy*. Full, Associate, and Affiliate Members within the U.S. (including Guam, Puerto Rico, U.S. Virgin Islands, APO/FPO) also receive a print subscription.

Application for Full Membership

American College of Clinical Pharmacy

Membership in the American College of Clinical Pharmacy is based on past and present contributions to clinical pharmacy practice, research, education, and professional leadership. Full Membership is open to pharmacists who: 1) subscribe to the vision and mission of the College; and 2) fulfill at least one of the following criteria.

All applicants for Full Member should enclose a copy of their curriculum vitae with their completed application.

Please circle the criterion under which you are applying:

Practice:

I hold current board certification(s) in a specialty practice of pharmacy recognized by the Board of Pharmaceutical Specialties. Please select which BPS certification(s) you hold from the list below and attach a copy of your certificate to this application.

- Ambulatory Care Pharmacy (BCACP)
- Nuclear Pharmacy (BCNP)
- Nutrition Support Pharmacy (BCNSP)
- Oncology Pharmacy (BCOP)
- Pharmacotherapy (BCPS)
- Psychiatric Pharmacy (BCPP)

OR

I have completed at least one year of formalized residency training plus three or more years of clinical pharmacy practice experience. Applicant's curriculum vitae should list residency site, year of completion, and post-residency clinical practice experiences (e.g., positions as Clinical Pharmacy Specialist, Clinical Pharmacist, Clinical Manager, Clinical Coordinator, Pharmacotherapist, etc.).

Education:

I am employed as a full-time faculty member of a College of Pharmacy or other health science for three or more years post-training. Applicant's curriculum vitae should list full-time faculty appointment and years of employment.

Scholarship/Research:

I have published at least four peer-reviewed research papers, journal articles, books, or book chapters. Applicant's curriculum vitae should clearly indicate the full citation for at least four peer-reviewed research papers, journal articles, books, or book chapters. Do not include letters to the editor, abstracts, or other brief publications.

Industry:

I have practiced in the pharmaceutical industry for three or more years post-training in the areas of clinical research, medical affairs, regulatory affairs, medical information, product safety, or surveillance. Applicant's curriculum vitae should show evidence of these activities.

If you circled at least one criterion above, it is not necessary to complete page four. Return the completed application and your curriculum vitae to the address at the left. If you have not circled one of the above criteria, please circle the criterion below and complete page four of the application.

Practice/Education/Research/Leadership:

Please complete page four of this application.

Scoring Criteria

Applicants for Full Member must complete this page only if the criteria listed on page 3 do not apply.

All applicants using the criteria on this page must have been practicing clinical pharmacy for three or more years since graduation from a college of pharmacy.

The requirements for Full Member may be met in any one or a combination of four areas—Practice, Education, Research, and Leadership. All areas are given equal weight during review by the Credentials Committee.

Scoring criteria used by the Credentials Committee are summarized in the table below. The Committee recommends an applicant for Full Member when the score in any one area is 15 or more, or the total of the scores from all areas is 30 or more.

Contributions to practice will be based on your response to the questions listed and evidence of such in your curriculum vitae. Activities performed during your residency or fellowship may be included.

The Committee will objectively evaluate contributions to education, research, and professional leadership based on a thorough review of your curriculum vitae.
